

Accessing Your Listeners Anonymous E-mail via Computer (Windows or Mac)

These are instructions for accessing your Listeners Anonymous (LA) e-mail from your Windows PC or Mac computer.

1. Enter *webmail.mxroute.com* in your favorite internet browser.
2. If you wish, bookmark the web address so it will be easy to return to this page.
3. Enter your Listeners e-mail address (*your Listener name here*@listenersanonymous.com) in the *Username* field.
4. Enter your MXRoute (the company that handles LA emails) password. It was sent to you in an e-mail titled *Your New E-mail*. It is the same message that these instructions came in.
5. Click the box beside *Keep Me Logged In* if you would like your computer to remember your login information.
6. Click the blue *Login* button to access your inbox.
7. The e-mail inbox is very similar to other popular inboxes, but don't hesitate to reach out to support@listenersanonymous.com if you hit a snag getting started.
